## INTERDISTRICT ATTENDANCE

Note: The Education Code provides a number of options under which a district may enroll a student whose parent/guardian does not reside within district boundaries. Under an "interdistrict attendance permit" or "reciprocal agreement" pursuant to Education Code 46600-46610, a student may attend school in a different district when both the district of residence and the district of proposed attendance agree (Option 1 below). Alternatively, pursuant to Education Code 48300-48317, the Governing Board may declare the district to be a "school district of choice" willing to accept a specific number of interdistrict transfers into the district through a random selection process (Option 2 below). In order to maintain the integrity of the random selection process, it is recommended that a school district of choice not also accept transfers under the interdistrict attendance permit option except when extraordinary circumstances exist, as provided in Option 2 below. Districts that wish to use both sources of authority should consult legal counsel.

In addition, pursuant to Education Code 48204, a district may authorize a student whose parent/guardian is employed within district boundaries to attend a school in the district (Allen bill transfer); see AR 5111.1 - District Residency.

The Governing Board recognizes that parents/guardians of students who reside within the geographic boundaries of one district may, for a variety of reasons, desire to enroll their children in a school in another district.

*(cf. 5111.1 - District Residency)*  
*(cf. 5116.1 - Intradistrict Open Enrollment)*

### OPTION 1: Interdistrict Attendance Agreements and Permits

Note: The following section is for use by districts that have entered into an agreement with one or more other districts to accept student transfers through interdistrict attendance permits pursuant to Education Code 46600-46610. Districts selecting this option should also select Option 1 in the accompanying administrative regulation.

The Board may enter into an agreement with any other school district, for a term not to exceed five school years, for the interdistrict attendance of students who are residents of the districts. (Education Code 46600)

Note: Education Code 46600 requires that the interdistrict attendance agreement specify the terms and conditions under which individual permits may be granted or denied. In addition, pursuant to Education Code 46600, students who have been granted an interdistrict attendance permit must be allowed to continue to attend the school without having to reapply unless the agreement between the two districts contains specific agreed-upon standards for reapplication; see the accompanying administrative regulation. Districts also may include in the agreement the agreed-upon standards for revocation of students' interdistrict attendance. Examples of conditions that may result in revocation include falsification of information stated on the permit application, unsatisfactory attendance, continual disruption, or poor academic achievement.

**INTERDISTRICT ATTENDANCE** (continued)

The agreement shall specify the terms and conditions under which interdistrict attendance shall be permitted or denied. It also may contain standards agreed ~~to~~ **upon** by both districts for reapplication and/or revocation of the student's permit. (Education Code 46600)

Note: Pursuant to Education Code 46600, it is the responsibility of the superintendent or designee of the district of residence, subject to board policies of the district of residence and terms of the agreement, to issue an individual permit verifying the district's approval of an interdistrict transfer out of the district. The permit shall become valid when endorsed by the board's designee in the district of proposed enrollment.

See the accompanying administrative regulation for procedures to follow when the permit is denied.

Upon receiving a permit for transfer into the district that has been approved by the student's district of residence, or upon receiving a written request from the parent/guardian of a district student who wishes to enroll in another district, the Superintendent or designee shall review the request and may approve or deny the permit subject to the terms and conditions of the interdistrict attendance agreement.

**OPTION 2: School District of Choice Program**

Note: The following section is for use by districts that elect to participate in the school district of choice program pursuant to Education Code 48300-48317. Pursuant to Education Code 48301, such a district must register as a school district of choice with the Superintendent of Public Instruction and County Board of Education before enrolling students under this option. Districts selecting this option should also select Option 2 in the accompanying administrative regulation.

The Board has designated the district as a "school district of choice" and shall accept students who reside within other California school districts who wish to attend a district school.

The Board shall, by resolution, annually establish the number of students who will be accepted into the district through this program based on recommendations by the Superintendent or designee as to the number of transfer students the district will be able to accept and the schools, grades, and programs that will be able to accept the students. Once established, the district shall accept all students who apply to transfer into the district until the district is at maximum capacity, as required pursuant to Education Code 48301.

Note: Education Code 48301 requires a random, unbiased process for selecting students who will be admitted through the school district of choice program and prohibits consideration of certain characteristics and factors in making the selections. Pursuant to Education Code 48301, family income may only be considered to the extent necessary to determine enrollment priority pursuant to Education Code 48306; see the accompanying administrative regulation.

Students shall be admitted to district schools through an unbiased process that prohibits an inquiry into or evaluation or consideration of whether or not a student should be enrolled based upon the student's academic or athletic performance, physical condition, proficiency in

**INTERDISTRICT ATTENDANCE** (continued)

English, any of the individual characteristics set forth in Education Code 200, or family income. (Education Code 48301)

If the number of transfer applications exceeds the number of transfers the Board has elected to accept, approval for transfer shall be determined by a random drawing held in public at a regularly scheduled Board meeting. (Education Code 48301)

Note: Because the school district of choice program requires a random selection process, it is recommended that participating districts not admit students through the interdistrict attendance permit process described in Option 1 above except under extraordinary circumstances. Such circumstances might include approving interdistrict attendance permits for students who are victims of an act of bullying. Such students are given priority for interdistrict attendance permits pursuant to Education Code 46600; see the accompanying administrative regulation.

Because the district admits students in accordance with the school district of choice program, the Superintendent or designee shall not admit students based on individual interdistrict attendance permits pursuant to Education Code 46600-46610 except under extraordinary circumstances.

The Superintendent or designee shall keep an accounting of all requests for admittance **through the school district of choice program** and a record of their disposition, including, but not limited to, all of the following: (Education Code 48313)

1. The number of requests granted, denied, or withdrawn and, for denied requests, the reason for the denial
2. The number of students transferred into and out of the district pursuant to this program
3. The race, ethnicity, gender, self-reported socioeconomic status, eligibility for free or reduced-price meals, and the district of residence for each student transferred into or out of the district pursuant to this program
4. The number of students transferred into or out of the district pursuant to this program who are classified as English learners or students with disabilities

Note: Education Code 48311 authorizes, but does not require, a school district of choice to provide transportation to participating students to the extent that the district provides transportation assistance to other students. See section on "Transportation" below. Item #5 may be deleted by districts that do not provide transportation.

5. As applicable, the number of students described in items #3 and 4 above who are provided transportation assistance to a district school or program, and the total number of students provided transportation assistance, pursuant to the school district of choice program

**INTERDISTRICT ATTENDANCE** (continued)

The Superintendent or designee shall report to the Board, at a regularly scheduled meeting, the information specified in items #1-5 above. No later than October 15 of each year, the Superintendent or designee shall provide the same information for the current school year, as well as information regarding the district's status as a school district of choice in the upcoming school year, to each geographically adjacent school district, the county office of education, and the Superintendent of Public Instruction. (Education Code 48313)

The district's compliance with specified program requirements shall be reviewed as part of the annual district audit conducted pursuant to Education Code 41020. (Education Code 48301)

(cf. 3460 - Financial Reports and Accountability)

**Transportation**

Note: The following optional section is for use by all districts and should be revised to reflect district practice. Districts are not required to provide transportation or transportation assistance to students admitted under an interdistrict attendance permit pursuant to Education Code 46600-46610, **except that Education Code 46600, as amended by AB 1127 (Ch. 781, Statutes of 2019), requires the district of enrollment to provide transportation assistance to a student who is eligible for free or reduced price meals and is either a child of an active military duty parent/guardian or a victim of an act of bullying, as defined in Education Code 48900.**

Pursuant to Education Code 48311, a school district of choice is authorized, but not required, to provide transportation assistance to the extent that the district otherwise provides transportation assistance to students.

3  
Keep

**Upon parent/guardian request, the district shall provide transportation assistance to a student receiving an interdistrict transfer who is eligible for free and reduced-price meals and is the child of an active duty military parent/guardian or a victim of bullying, as defined in Education Code 46600. (Education Code 46600)**

(cf. 3553 - Free and Reduced Price Meals)

~~The district shall not provide transportation beyond any school attendance area. Upon~~ **In addition, upon** request of a student's parent/guardian, the Superintendent or designee may authorize transportation for **an any** interdistrict transfer student to and from designated bus stops within the attendance area of the school that the student attends if space is available.

## INTERDISTRICT ATTENDANCE

### OPTION 1: Interdistrict Attendance Agreements and Permits

Note: The following option is for use by districts that have entered into an agreement with one or more other school districts to accept transfers through the "interdistrict attendance permit" or "reciprocal agreement" process pursuant to Education Code 46600-46610. (See Option 1 in the accompanying Board policy.) In 87 Ops.Cal.Atty.Gen. 132 (2004), the Attorney General opined that districts could not charge students a fee for processing applications for interdistrict attendance.

In accordance with an agreement between the Governing Board and the board of another district, a permit authorizing a student of either district to enroll in the other district may be issued upon approval of both districts.

Note: Pursuant to Education Code 46600.2, as added by AB 2826 (Ch. 550, Statutes of 2018), districts are required to post on their web sites, in a manner accessible to the public without a password, the procedures and timelines regarding a request for an interdistrict transfer permit.

The district shall post on its web site the procedures and timelines for requesting an interdistrict transfer permit, including a link to BP 5117 - Interdistrict Attendance. The posted information shall include, but is not limited to: (Education Code 46600.1, 46600.2)

1. The date upon which the district will begin accepting and processing interdistrict transfer requests for the following school year
2. The reasons for which the district may approve or deny a request, and any information or documents that must be submitted as supporting evidence
3. If applicable, the process and timelines by which a denial of a request may be appealed within the district before the district renders a final decision
4. A statement that failure of a parent/guardian to meet any timelines established by the district shall be deemed an abandonment of the request
5. Applicable timelines for processing a request, including the following statements:
  - a. For an interdistrict transfer request received by the district 15 or fewer calendar days before the commencement of instruction in the school year for which the transfer is sought, the district will notify the parent/guardian of its final decision within 30 calendar days from the date the request was received.

**INTERDISTRICT ATTENDANCE** (continued)

- b. For an interdistrict transfer request received by the district more than 15 days before the commencement of instruction in the school year for which the interdistrict transfer is sought, the district will notify the parent/guardian of its final decision as soon as possible, but no later than 14 calendar days after the commencement of instruction in the school year for which transfer is sought.
6. The conditions under which an existing interdistrict transfer permit may be revoked or rescinded

Note: Education Code 46600 requires districts to give priority for interdistrict attendance permits to a student who is a victim of an act of bullying, as provided below. For this purpose, Education Code 48900(r) defines bullying to include, but not be limited to, bullying committed by means of an electronic act directed specifically toward the student; see AR 5144.1 - Suspension and Expulsion/Due Process.

Priority for interdistrict attendance shall be given to a student who has been determined, **through an investigation** by **staff of** either the district of residence or district of proposed enrollment, to be a victim of an act of bullying, as defined in Education Code 48900(r), committed by a student of the district of residence. (Education Code 46600)

*(cf. 1312.3 - Uniform Complaint Procedures)*

*(cf. 5131.2 - Bullying)*

Note: As amended by AB 1127 (Ch. 781, Statutes of 2019), Education Code 46600 requires districts to ensure that students who are victims of bullying or are children of active duty military parents/guardians be selected through an unbiased process that prohibits consideration of specified characteristics.

**Until the district is at maximum capacity, the district shall accept any student whose interdistrict transfer application is based on being the victim of an act of bullying or a child of an active duty military parent/guardian. The district shall ensure that such students are admitted through an unbiased process that prohibits an inquiry into or evaluation or consideration of whether or not a student should be enrolled based on academic or athletic performance, physical condition, proficiency in English, family income, or any of the individual characteristics set forth in Education Code 220, including, but not limited to, race or ethnicity, gender, gender identity, gender expression, and immigration status. (Education Code 46600)**

In addition, the Superintendent or designee may approve an interdistrict attendance permit for a student for any of the following reasons when stipulated in the agreement:

Note: **Optional** items #1-11 below should be revised and/or deleted to reflect district practice.

1. To meet the child care needs of the student, only as long as the student's child care provider remains within district boundaries

**INTERDISTRICT ATTENDANCE (continued)**

*(cf. 5148 - Child Care and Development)*

2. To meet the student's special mental or physical health needs as certified by a physician, school psychologist, or other appropriate school personnel

*(cf. 6159 - Individualized Education Program)*

3. When the student has a sibling attending school in the receiving district, to avoid splitting the family's attendance
4. To allow the student to complete a school year when the student's parents/guardians have moved out of the district during that year
5. To allow the student to remain with a class graduating that year from an elementary, middle, or senior high school
6. To allow a high school senior to attend the same school attended as a junior, even if the student's family moved out of the district during the junior year
7. When the parent/guardian provides written evidence that the family will be moving into the district in the immediate future and would like the student to start the school year in the district
8. When the student will be living out of the district for one year or less
9. When recommended by the school attendance review board or by county child welfare, probation, or social service agency staff in documented cases of serious home or community problems which make it inadvisable for the student to attend the school of residence

*(cf. 5113.1 - Chronic Absence and Truancy)*

*(cf. 5113.12 - District School Attendance Review Board)*

10. When there is valid interest in a particular educational program not offered in the district of residence
11. To provide a change in school environment for reasons of personal and social adjustment

Note: In 84 Ops.Cal.Atty.Gen. 198 (2001), the Attorney General opined that a lack of school facilities is a justifiable reason for denial of the interdistrict attendance permit request. However, according to the Attorney General, once the student is admitted, the district may not later deny the student continued attendance at a district school because of overcrowding. Although Attorney General opinions are not binding on the courts, they are generally afforded deference in the court when there is no specific statutory or case law to the contrary. The following paragraph is based on this Attorney General opinion.

**INTERDISTRICT ATTENDANCE** (continued)

The Superintendent or designee may deny initial requests for interdistrict attendance permits due to limited district resources, overcrowding of school facilities at the relevant grade level, or other considerations that are not arbitrary. However, once a student is admitted, the district shall not deny continued attendance because of overcrowded facilities at the relevant grade level.

*(cf. 0410 - Nondiscrimination in District Programs and Activities)*

Note: Education Code 46600.2, as added by AB 2826, establishes the following timelines for notifying a student's parents/guardians of the district's final decision regarding the interdistrict transfer request.

If the transfer request is for a school year that begins within 15 calendar days of the receipt of the request, the Superintendent or designee shall notify the parent/guardian of the final decision within 30 calendar days of receiving the request. If the transfer request is for a school year that begins more than 15 calendar days after the receipt of the request, the parent/guardian shall be notified of the final decision as soon as possible, but no later than 14 calendar days after the commencement of instruction during that school year. (Education Code 46600.2)

Note: Education Code 46600.2, as added by AB 2826, requires a district that denies a request for an interdistrict transfer to give written notice to the parent/guardian of the right to appeal to the County Board of Education.

Pursuant to Education Code 46601, parents/guardians may submit their appeal to the County Board within 30 calendar days of the district's final denial of the permit. The County Board then has 30 calendar days, unless extended by an additional five school days for good cause, to make its determination as to whether the student should be allowed to attend the district of proposed enrollment and the applicable period of attendance. However, Education Code 46601 allows a class 1 county (i.e., a county with a 1994-95 average daily attendance (ADA) of 500,000 or more for all districts in the county), until July 1, 2023, 60 calendar days to make its determination.

Pursuant to Education Code 46602, if the County Board determines that the student should be permitted to attend the district of proposed enrollment, the district shall admit the student without delay.

If a student's interdistrict transfer request is denied, the Superintendent or designee shall, in writing, notify the parents/guardians of their right to appeal to the County Board of Education within 30 calendar days from the date of the final denial. (Education Code 46600.2)

*(cf. 5145.6 - Parental Notifications)*

All notices to parents/guardians regarding the district's decision on any request for interdistrict transfer shall conform to the translation requirements of Education Code 48985, and may be provided by regular mail, electronic format if the parent/guardian provides an email address, or by any other method normally used to communicate with parents/guardians in writing. (Education Code 46600.2)

**INTERDISTRICT ATTENDANCE** (continued)

Pending a decision by the two districts or by the County Board on appeal, the Superintendent or designee may provisionally admit a student who resides in another district for a period not to exceed two school months, provided the district is the district of proposed enrollment. If the decision has not been rendered by the conclusion of two school months and the districts or County Board is still operating within the prescribed timelines, the student shall not be allowed to continue attending the district school to which the student was provisionally admitted. (Education Code 46603)

Students who are under consideration for expulsion or who have been expelled may not appeal interdistrict attendance denials or rescissions while expulsion proceedings are pending or during the term of the expulsion. (Education Code 46601)

*(cf. 5119 - Students Expelled from Other Districts)*  
*(cf. 5144.1 - Suspension and Expulsion/Due Process)*

Once a student is admitted to a school on the basis of an interdistrict attendance permit, the student shall not be required to reapply for an interdistrict transfer and shall be allowed to continue to attend the school of enrollment, unless reapplication standards are otherwise specified in the interdistrict attendance agreement. Existing interdistrict attendance permits shall not be rescinded after June 30 following a student's completion of grade 10 or for any student entering grade 11 or 12 in the subsequent school year. (Education Code 46600)

**OPTION 2: School District of Choice Program**

Note: The following section is for use by districts that elect to participate in the school district of choice program pursuant to Education Code 48300-48317. (See Option 2 in the accompanying Board policy.)

The Superintendent or designee shall communicate with parents/guardians regarding transfer opportunities under the school district of choice program. Communications sent to parents/guardians shall be available in all languages for which translations are required pursuant to Education Code 48985, shall be factually accurate, and shall not target particular neighborhoods or individual parents/guardians on the basis of a child's actual or perceived academic or athletic skill or any other personal characteristic. (Education Code 48301, 48980)

The Superintendent or designee shall also make public announcements regarding district schools, programs, policies, and procedures, including transportation options if applicable, during the enrollment period. (Education Code 48312)

Note: The following **optional** paragraph reflects Education Code 48302, which encourages districts to hold informational meetings as described below, and may be revised to reflect district practice.

**INTERDISTRICT ATTENDANCE** (continued)

The Superintendent or designee may hold informational meetings on the district's current educational programs, so that parents/guardians can provide input to the district on methods to improve current programs and make informed decisions regarding their children's education. (Education Code 48302)

The process for student transfers into the district under the school district of choice program, including, but not limited to, any applicable form, the timeline for a transfer, and an explanation of the selection process, shall be posted on the district's web site. (Education Code 48301)

*(cf. 1113 - District and School Web Sites)*

Parents/guardians shall submit applications for interdistrict attendance to the district office before January 1 of the school year preceding the school year for which the student is requesting to be transferred. The application deadline may be waived upon agreement between the district and the student's district of residence. (Education Code 48308)

The application deadline shall not apply to an application requesting a transfer if the parent/guardian with whom the student resides is enlisted in the military and was relocated by the military within 90 days prior to submitting the application. (Education Code 48308)

*(cf. 6173.2 - Education of Children of Military Families)*

Note: Pursuant to Education Code 48305, if the district chooses to use existing entrance criteria for specialized schools or programs, then the criteria must be uniformly applied. The following **optional** paragraph is for use by districts that choose to use existing entrance criteria.

Any existing entrance criteria for specialized schools or programs shall be uniformly applied to all applicants. (Education Code 48305)

The district may deny a transfer into the district under the school district of choice program if the transfer would require the district to create a new program to serve that student, except that the district shall not reject the transfer of a student with disabilities or an English learner. (Education Code 48303)

Whenever the number of transfer applications exceeds the number of interdistrict transfers that may be accepted as annually determined by the Governing Board, students accepted for transfer shall be selected by a random drawing held in public at a regularly scheduled Board meeting before February 15 of the school year preceding the school year for which the transfer is sought. (Education Code 48301)

Priority for transfer under the school district of choice program shall be granted as follows: (Education Code 48306)

**INTERDISTRICT ATTENDANCE** (continued)

1. First priority shall be given to siblings of students already in attendance in the district.
2. Second priority shall be given to students eligible for free or reduced-price meals.

*(cf. 3553 - Free and Reduced Price Meals)*

3. Third priority shall be given to children of military personnel.

No later than February 15 of the school year preceding the school year for which the student is requesting to be transferred, the Superintendent or designee shall notify the parent/guardian in writing whether the application has been provisionally accepted or rejected or of the student's position on any waiting list. (Education Code 48308)

If a student's application for transfer is accepted, the Superintendent or designee shall so notify the student's district of residence no later than February 15 of the school year preceding the school year for which the student is requesting to be transferred. (Education Code 48308)

The number of students accepted for transfer into the district, by school and grade level, shall be reported to the district of residence on or before February 15. (Education Code 48308)

If a student's application is denied, the Superintendent or designee shall notify the student's parents/guardians that the number of students requesting to transfer exceeded the district's capacity and that the student was not selected during the random drawing. Such determination shall be accurately recorded in the minutes of the Board meeting at which the determination was made. (Education Code 48308)

*(cf. 9324 - Minutes and Recordings)*

For a student whose parent/guardian was relocated by the military less than 90 days prior to the submission of the application, the district shall make a final decision to accept or reject the application within 90 days of its receipt. If the student's application has been submitted less than 90 days prior to the beginning of the school year, then the district shall accept or deny the application before the school year begins. Upon acceptance, the student may immediately enroll in a district school. (Education Code 48308)

Vacancies may be filled from the waiting list until May 1 of the school year preceding the school year for which students are requesting to be transferred. (Education Code 48308)

The final number of students enrolled in the district through the school district of choice program, by school and grade level, along with the names of the students, shall be reported to the district of residence on or before May 2. (Education Code 48308)

**INTERDISTRICT ATTENDANCE** (continued)

Students admitted through the school district of choice program are deemed to have fulfilled district residency requirements pursuant to Education Code 48204. (Education Code 48301)

*(cf. 5111.1 - District Residency)*  
*(cf. 5116.1 - Intradistrict Open Enrollment)*

Final acceptance of the transfer is applicable for one school year and shall be renewed automatically each year unless the Board, by adoption of a resolution, withdraws from participation in the program and no longer accepts transfer students from other districts. (Education Code 48308)

Note: The following paragraph may be revised by districts that do not maintain high schools.

Even if the district withdraws from participation in the program, students who attended or received a notice of acceptance into the district before the Board's resolution of withdrawal shall be permitted to attend school in the district, and admitted high school students may continue attending school in the district until they graduate from high school. (Education Code 48307, 48308)

The district may accept any completed coursework, attendance, and other academic progress credited to an accepted student by any district(s) the student has previously attended and may grant academic standing to the student based upon the district's evaluation of the student's academic progress. (Education Code 48309)

*(cf. 6146.3 - Reciprocity of Academic Credit)*

The district may revoke a student's enrollment if the student is recommended for expulsion pursuant to Education Code 48918. (Education Code 48309)

**Transfers Out of the District**

Note: The following **optional** section is for use by all districts.

A student whose parent/guardian is in active military duty shall not be prohibited from transferring out of the district, provided the school district of proposed enrollment approves the application for transfer. (Education Code 46600, 48307)

**Note: Pursuant to Education Code 46600, as amended by AB 1127, the district cannot prohibit a transfer out of the district for a victim of bullying if the district has only one school offering the student's grade level and thus is unable to grant an intradistrict transfer.**

**If the district is unable to provide an intradistrict transfer to a student who is a victim of an act of bullying, as defined in Education Code 46600, the district shall not prohibit**

**INTERDISTRICT ATTENDANCE** (continued)

**the student from transferring out of the district if the district of proposed enrollment approves the application for transfer. (Education Code 46600)**

The district may limit transfers out of the district to a school district of choice under any of the following circumstances: (Education Code 48307)

Note: Even if a district has not designated itself as a school district of choice, it has the authority pursuant to Education Code 48307 to limit the number of students transferring out of the district into other districts that have designated themselves as school districts of choice. A district with an ADA of more than 50,000 may annually limit the number of such transfers to one percent of its current year estimated ADA. A district with an ADA of 50,000 or less may limit the number of such transfers to three percent of its current estimated ADA and may limit the maximum number of such transfers for the duration of the program to 10 percent of the ADA for that period. In Walnut Valley Unified School District v. Superior Court of Los Angeles County, the appellate court held that the 10 percent cap on outbound transfers "for the duration of the program" should be based on the district's ADA over the entire life of the district of choice program (i.e., from the program's inception in 1994 until the present day). The district may revise item #1 to reflect the applicable percentage in Education Code 48307 based on its ADA.

1. The number of student transfers out of the district to a school district of choice has reached the limit specified in Education Code 48307 based on the district's average daily attendance.
2. The County Superintendent of Schools has given the district a negative budget certification or has determined that the district will not meet the state's standards and criteria for fiscal stability in the subsequent fiscal year exclusively as a result of student transfers from this district to a school district of choice.

*(cf. 3100 - Budget)*

Note: Item #3 is **optional** and should be revised to reflect district practice. Education Code 48307 authorizes the district to prohibit a transfer out of the district under the school district of choice program if the Board determines that the transfer would negatively impact a court-ordered desegregation plan, a voluntary desegregation plan, or the racial and ethnic balance of the district. Education Code 48307 provides that denial of transfers on the basis of a voluntary desegregation plan or the racial and ethnic balance of the district must be consistent with the constitutional provisions added by Proposition 209 in 1996 (California Constitution, Article 1, Section 31). It is recommended that districts consult legal counsel before adopting policy to allow denial of transfers on either of these bases.

3. The Board determines that the transfer would negatively impact any of the following: (Education Code 48307)
  - a. A court-ordered desegregation plan
  - b. A voluntary desegregation plan of the district, consistent with the California Constitution, Article 1, Section 31

**INTERDISTRICT ATTENDANCE** (continued)

- c. The racial and ethnic balance of the district, consistent with the California Constitution, Article 1, Section 31
